(Subsidiaries & Assigns)

QUALITY POLICY STATEMENT

Objectives

PPG aims to ensure total customer satisfaction through the development, manufacture, sales and service of Industrial, Rigid, Food Service, Washroom Supplies, Safety & PPE products and related services. Our principle objective is the delivery of superior total customer satisfaction and confidence in our products and our services.

Policy

It is the policy of PPG to maintain an effective and efficient Quality Management System (QMS) based on the principles of HACCP, ISO9001:2008, and first class GMP principles within our business units.

Commitment

Senior PPG Management and Leadership teams are fully committed to the successful implementation and maintenance of the Quality Management System and recognise that all personnel are expected to actively participate in all quality related activities.

We will achieve this commitment by the development and implementation of a suite of measurable targets and objectives.
